EMMA PUSHMAN CATERING

01684 311811 f: 0870 7059776

"I provide an array of catering where my ethos is good ingredients, simply cooked to maximise great tasting dishes.

I believe in the food doing the work! The presentation is of a "Country Kitchen" look with un-fussy attention to the display and yet constantly being aware of good colour combinations of food, and an instinctive marriage of textures and a flavourful palette.

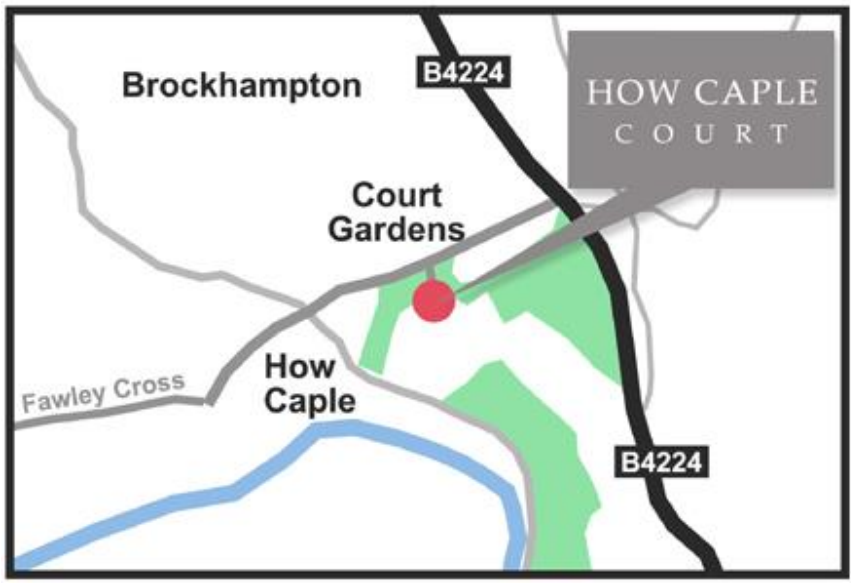

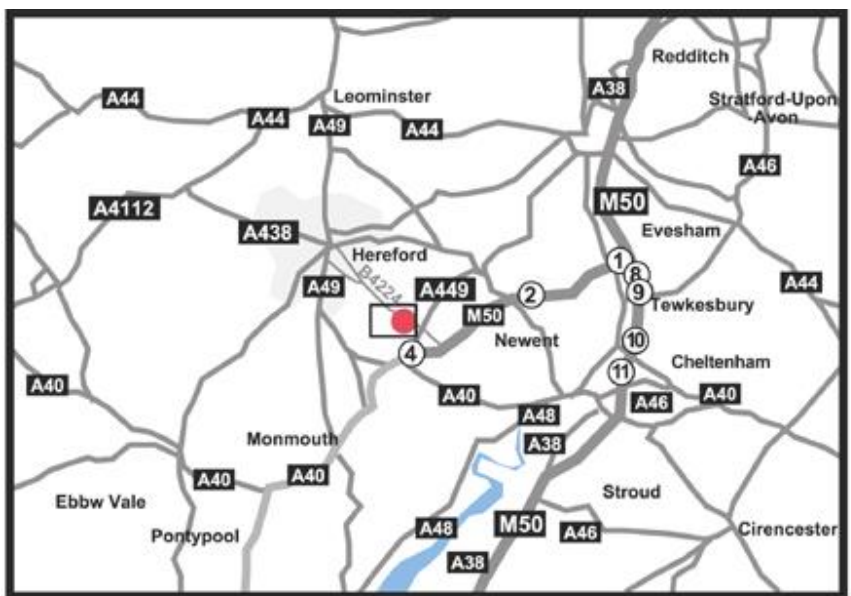

I am known for a range of [buffet style menus](#) but also [Pig Roasts](#) - boasting crackling and flavour second to none, [Paellas](#) - be they chicken and chorizo or seafood, both great options for a meal-in-one dish and [Barbeques](#) all of which are cooked in situ adding that touch of theatre!

I work with friends and family making for a happy and relaxed, whilst efficient and well presented team.

The prices obviously vary wildly, ranging from a pig roast that works out approximately at £6.50 a head based on 100 guests to maybe £35 a head for a full 3 course menu with canapes and reception drink. But the fact remains, we can provide a lovely menu to satisfy a range of budgets.
